The campaign is kind of frustrating due to the 3 Koi-Koi requirements for Gold medals in the stages near the end as well as the AI's tendency to stop instead of calling Koi-Koi when behind. On the plus side, the stages are easy to retry. I do wish there was an easier way to restart matches than completing them, but as each match is only 3 hands, it goes by quickly even when you know you will fail. It does lead to some epic 3 Koi-Koi calls in one hand though! Koi-Koi is a really fun game, so the expansion overcomes the my minor concerns, especially considering the price. The artwork of the prints is nice, and the new themes are pretty cool too..
